

## Ticketing

### Boost your fundraising with the new ticket sales feature on **IMakeAnOnlineDonation!**

With our platform, you can facilitate the organization of your events and draws thanks to a simple and efficient ticket sales system that is fully integrated into your campaigns.

#### Two types of ticket, maximum flexibility:

##### 1. Draw tickets

- Automatic sequential numbering
- Issuance of ticket numbers by email

##### 2. Event participation tickets

- Automatic sequential numbering
- **Printable QR code** for each ticket
- Attendance management on the day of the event
- A smooth and modern experience for your participants

#### Benefits:

- **Increase your income:** easily offer tickets for online purchase, accessible at any time
- **Save time:** manage your lists and tickets numbers more easily
- **Increased professionalism:** simplified management of events and draws
- **Improved user experience:** intuitive interface for your donors and participants
- **Follow-up with end holders:** ticket buyers can easily transfer tickets to other participants

#### Why choose **IMakeAnOnlineDonation?**

- A platform designed for charities
- Seamless integration with your other tools
- Dedicated support to assist you every step of the way
